Experience

Oscar Oliveira joined Broderick Group, Inc. after a successful commercial real estate career with Colliers International and CB Richard Ellis. Oscar has fifteen years of proven management experience in fast paced, demanding environments, including industry leaders Chevron and CH2M Hill and also founded and sold a successful start-up consumer products company with four Seattle locations. Oscar has an extensive track record in forging strategic business partnerships with key clients. Oscar graduated cum laude from University of Texas & Texas A&I University with a Bachelor's of Science in Petroleum Engineering.
